

TeenDrive365 Video Challenge Checklist

Before uploading your video entry,
be sure it meets the following criteria:

- My video is focused on my solution(s) to distracted driving.
- I (and all listed teammates) am currently at least 13 years old AND in the 9th, 10th, 11th, or 12th grade.
- My video is between 30 and 60 seconds in length.
- Everyone shown in my video has given me written permission to include him, her, or them in the video. (NOTE: Anyone other than you who appears in the video will have to sign an official release form if you become a top 10 finalist.)
- My video only contains my original ideas and work.
- My video includes the mandatory end frame that includes the TeenDrive365 logo and website www.teendrive365.com.
- My video does not have copyrighted or trademarked signs, art, or third-party logos visible at any time.
- Any music or sounds in my video are either completely original, or are used with proper permission as described in Section 5 of the Official Rules.
- My video is uploaded to YouTube and published for public viewing, not set to private or unlisted. (See youtube.com/help for details.)

Any video that does not meet these criteria may be disqualified.
