## I, The Parent Agree:

I will approach the process of teaching you to drive with patience and support. I promise to be a positive role model by demonstrating safe driving, following all the traffic safety laws and regulations that I have asked you to follow.

I agree to establish a schedule of training and to honor that schedule. I also agree to make myself available to discuss progress on a regular basis. I will be involved in your driving!

Your safety is my #1 priority and I will be there when you need me. I agree to come and get you wherever you are, whatever the time of day or night, if you are not able to return home safely.

## I, The Teen Driver Agree:

I promise to abide by the rules outlined above. I understand that driving is a privilege, not a right and that I will only drive the car with permission.

I understand that I am responsible for my driving actions and there are many consequences for my behavior.

If I break any rules we have agreed to, I will accept the consequences that we have discussed. I also understand that the terms of this agreement may be changed based on how I handle the responsibility of driving.
